**Note. Counts are unduplicated within each college and for All Colleges, and are as of official census. CE counts are estimates based on a percentage of total headcount.*

Researcher's Notes: The military/veteran headcount figures for the colleges are final annual unduplicated counts. CE military/veteran and dependent headcount is a calculated estimate using the same percentage of military/veteran and dependent students out of the total student population as the colleges (approximately 10%).
