Student Ethnicity Highlights

- In Fall 2012, the District had a steady growth of Latino students throughout the campuses of 1-2% since Fall 2011, matching our local service area of 32%
- City College has our largest population of Latino students at 45%
- In Fall 2012, the African-American student population has remained constant since Fall 2011, but higher than our local service area of 5%

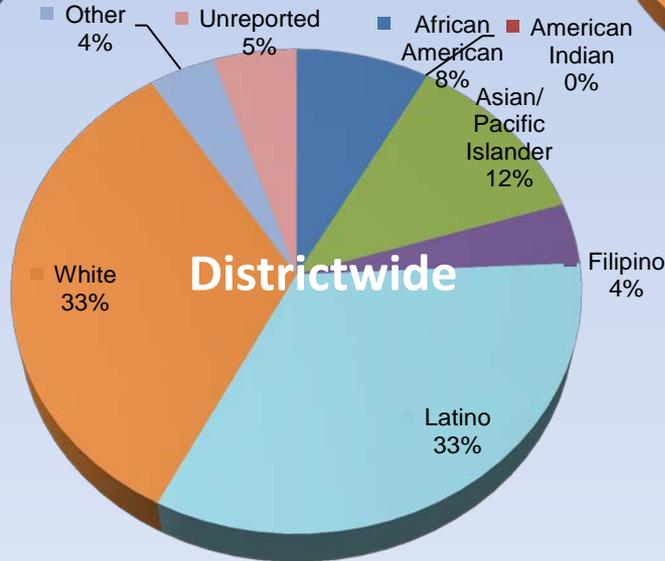

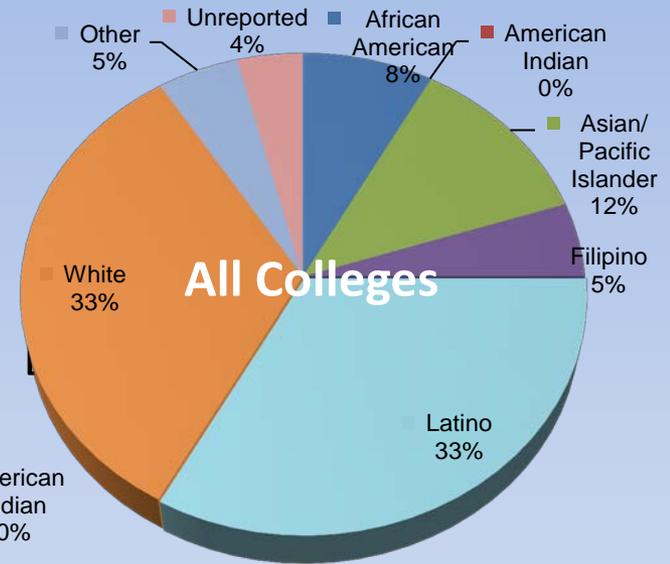

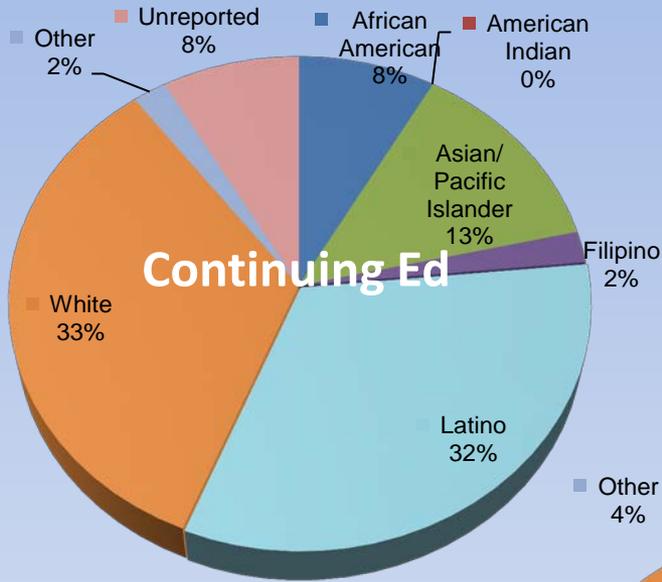

Ethnicity of Local Service Area

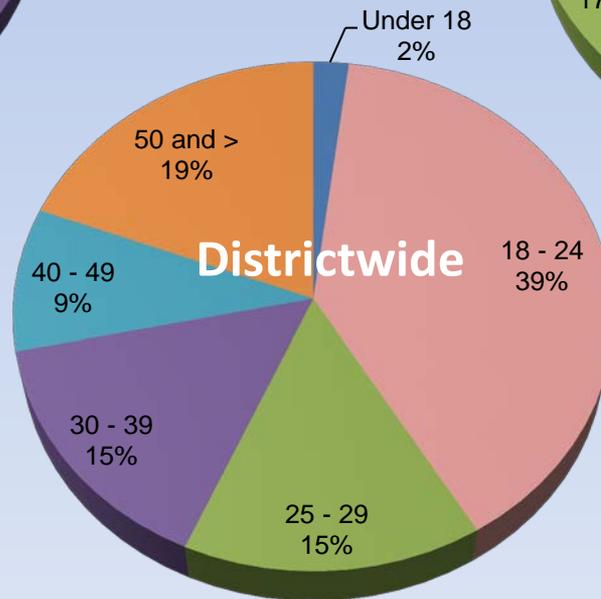

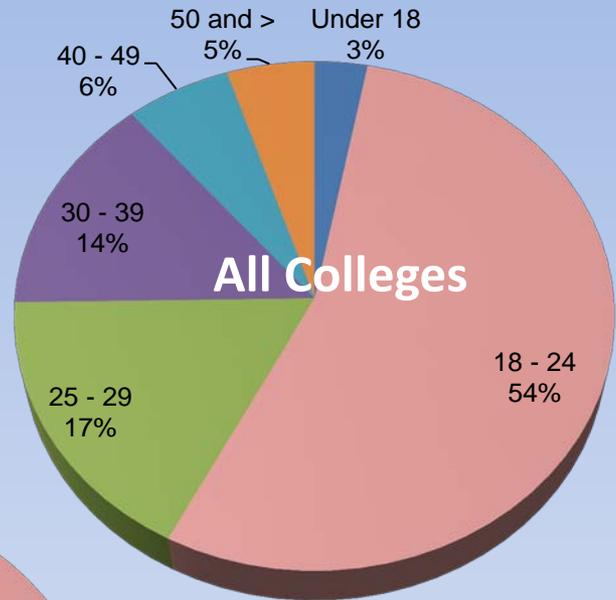

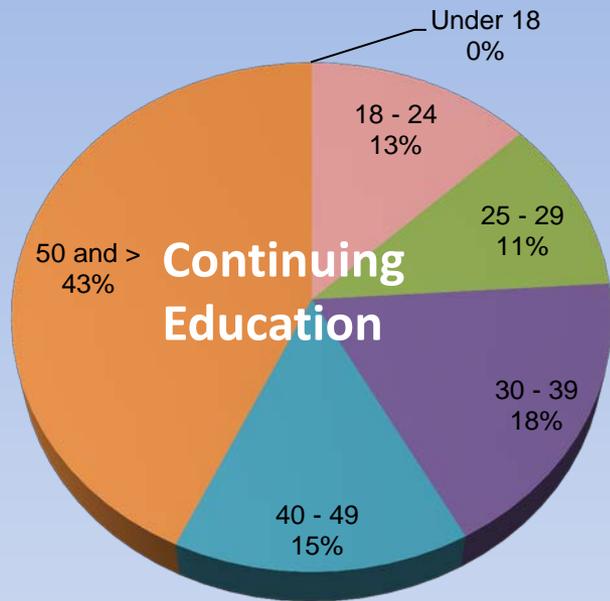

Fall 2012 Students by Ethnicity

Fall 2012 Students by Ethnicity

Fall 2012 Students by Age

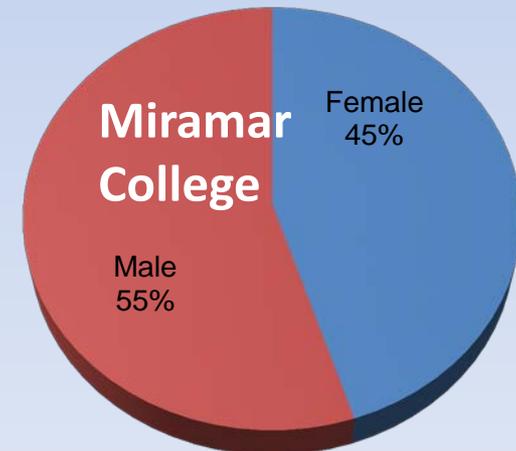

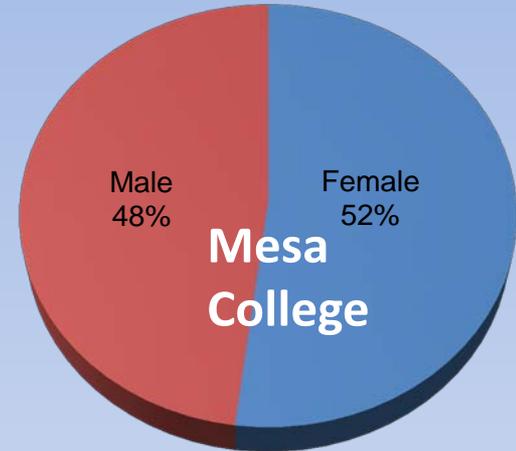

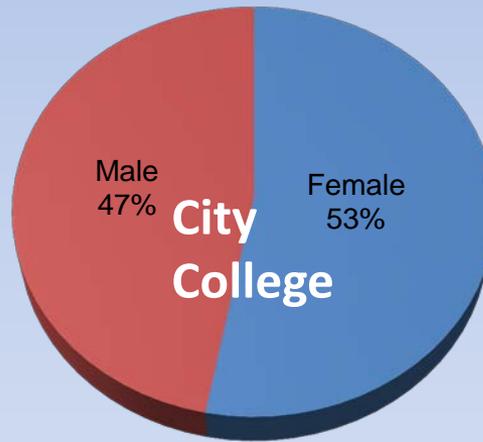

Highlights

- As to be expected our district is not reflective of the local service area in age
- Over 50% of students in the colleges are in the 18-24 age group

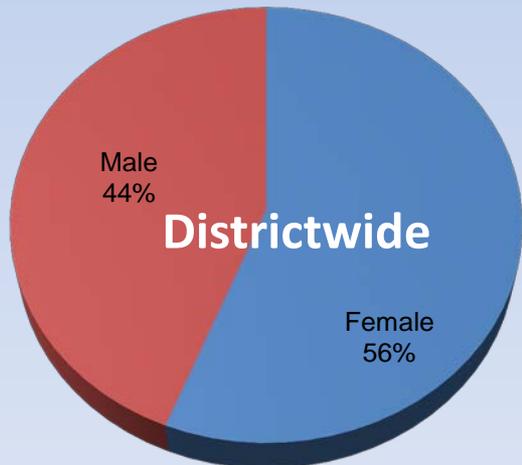

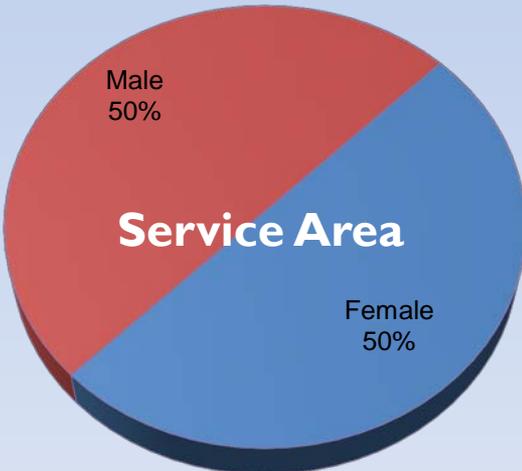

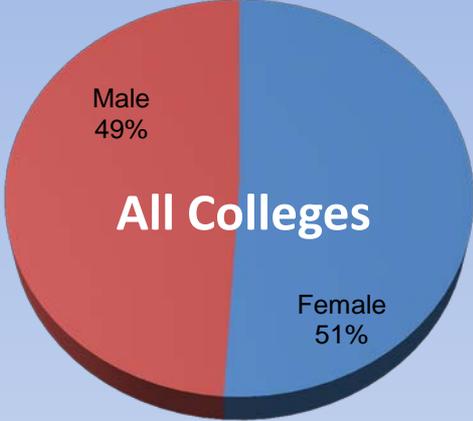

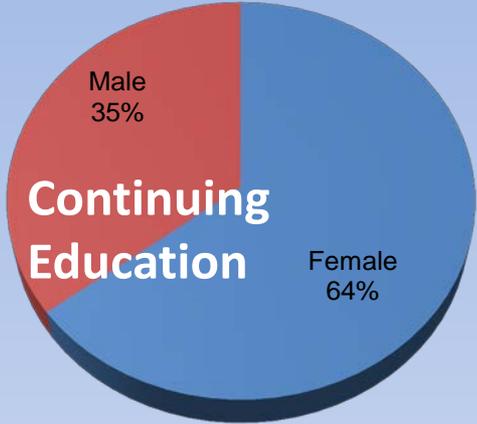

Fall 2012 Students by Gender

Highlights

- Students continue to be predominately female, slightly higher than our local service area
- The exception is Miramar College due to the academies
- Continuing Education has the highest percentage of female students

Fall 2012 Students by Gender

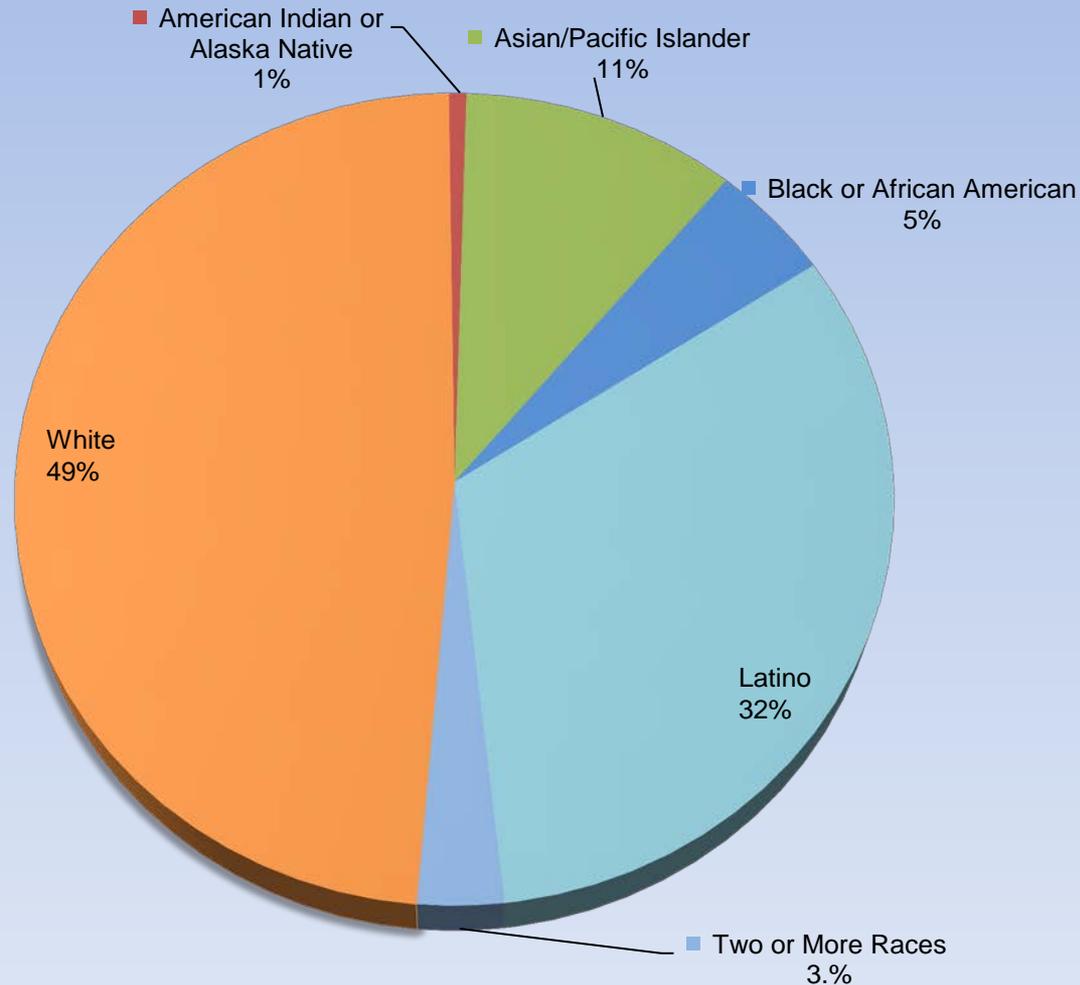

Staff Ethnicity Highlights

- Spring of 2009, an EEO Plan Committee was created via shared governance to revise the SDCCD EEO Plan.
- The SDCCD EEO Plan was published in 2010 as a foundation for advancing and enhancing Equity, Diversity and Cultural Competency.
