

Student Success Scorecard 2016 Report

October 2016

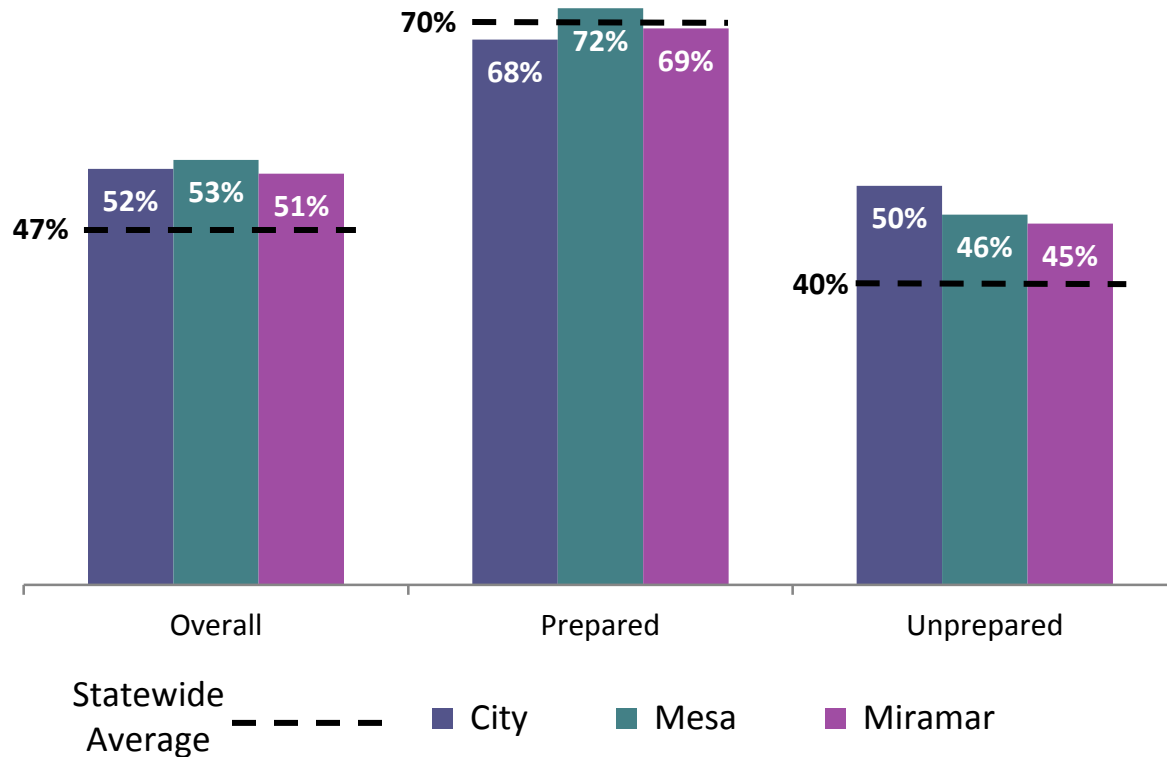

Background

- Intended to provide broad transparency and accountability.
- Provides measures of progress towards specific outcomes:
 - Completion Rate
 - Persistence Rate
 - 30+ Unit Completion Rate
 - Remedial Rate
 - Career Technical Education (CTE) Completion Rate
 - **Skills Builder** 
 - Career Development and College Preparation (CDCP) Rate
- Outcome measures are reported by:
 - Overall: Student attempted any level of Math or English in the first three years
 - College Prepared: Student's lowest course attempted in Math and/or English was college level
 - Unprepared for College: Student's lowest course attempted in Math and/or English was remedial level
 - Demographics: age, gender and ethnicity

New to the Student Success Scorecard

- Expanded College Profile
 - Headcount by gender, age, and ethnicity
 - FTES
 - Total number of credit and non-credit sections
 - Median credit class size
 - Percent of full-time faculty (Districtwide full-time faculty obligation)
 - Student to counseling ratio
- Skills Builders: cohort are students who enrolled in at least .5 units of CTE courses. The indicator measures the median percentage change in wage at one year after the student left the college.
