## NOTICE OF PROBATION STATUS AND BOARD OF GOVERNORS FEE WAIVER ELIGIBILITY

Dear {Name},

In January you received notification that you are currently on probation as a result of your cumulative grades, or lack of progress based upon your performance in Fall 2016.

Probation is determined in two ways, one is based on progress and the other is based on grade point average (GPA) as defined below:

- **Progress** - is determined by the number of "W," "I," or "NP" grades. You must complete at least 61% of units attempted to maintain good standing.
- **Grade Point Average** - You must maintain a minimum 2.0 grade point average at all times.

If you disqualify by not meeting progress or GPA standards, **you will lose your registration priority and your eligibility for the Board of Governor's fee Waiver (BOGW).**

We highly encourage that you make use of the student support services on your campus and take appropriate steps to help ensure that you will succeed this semester.
