SUBJECT: Associate Degree Requirements – Option 5

Effective 2017-2018, students who submit an official transcript showing they have earned a baccalaureate degree from a regionally accredited institution will have satisfied the SDCCD associate degree general education and District requirements by having previously completed the baccalaureate degree. The following requirements must also be met:

- All associate degrees require a minimum of 60 degree applicable units (§ 55063. Minimum Requirements for the Associate Degree – Title 5).
- A minimum of 12 degree applicable units must be completed in residence at the college granting the degree.
- Six semester units in the major must be completed at City, Mesa, or Miramar College.
- Official transcripts from all colleges attended must be on file.
- 18 or more semester units are required in the major/area of emphasis.
- Students seeking additional degrees must have a minimum of 18 required semester units in the new major/area of emphasis and a minimum of 78 total units.
- Student must earn a grade of “C” or better in all courses required for the major/area of emphasis.

The following options are **not** available to students:

- Students cannot use catalog years prior to 2017-2018 to meet major/area of emphasis requirements if program has been revised.
- Students cannot use this option for the Associate Degree for Transfer (ADT).
- Students cannot use this option for Certificates of Achievement or Certificates of Performance only programs.
