Major/Area of Emphasis Requirement for AA/AS Degree Requirements

Current Catalog Language:

Only one course in a student's major discipline may be used to meet the San Diego Community College District's general education requirements with the exception of Liberal Arts and Sciences and AA-T and AS-T degrees.

Proposed Change:

Due to programming issues with PeopleSoft the current practice will no longer be required. This requirement is not in practice at other Region 10 colleges. Prior catalog years would be grandfathered in up to 10 years. Program changes will take effect immediately.

District Graduation Requirements

Current Catalog Language:

Major/Area of Emphasis Requirement for AA/AS Degree Requirement

Only one course in a student's major discipline may be used to meet the San Diego Community College District's general education requirements with the exception of Liberal Arts and Sciences and AA-T and AS-T degrees.

American Institutions California Government requirement

Three units of coursework used to fulfill the American Institutions California Government requirement may also be used to fulfill general education. If a six unit sequences or combination is selected to fulfil the American Institutions requirement only three units may be used for general education credit.

Proposed Change:

Due to programming issues with PeopleSoft the Academic Advising Team and Evaluators recommend the present business process be removed and changed to allow our students to use the courses to clear for Major/Area of Emphasis requirement and American Institutions requirement. None of the Region X colleges have the same restriction as we do. Effective 2017-2018 this requirement would no longer be required for graduation. Prior catalog years will be grandfathered in up to 10 years. Program changes would take effect immediately.
