Additional Financial Aid may be available to students who qualify for assistance.

See [Financial Aid](#) for more information.

NONRESIDENT TUITION

The nonresident tuition is \$221 per unit. This fee is in addition to the enrollment and health fees, for students who are not residents of California for tuition purposes. **Please note, the nonresident tuition will increase to \$245 per unit effective Fall 2018.**

Residents of California are entitled to attend a community college by paying the community college enrollment fee. For complete details, go to Tuition & Fees and also refer to the Class Schedule.

Nonresidents must pay the enrollment fee plus nonresident tuition. For complete details, go to Tuition & Fees and also refer to the Class Schedule.

- To qualify as a California resident, you must verify physical presence in California and intent to become a resident one-year prior to the residency determination date (the day before classes begin for a new term). The one-year period begins when you are not only present in California, but also have demonstrated clear intent to become a resident of California.

The burden of proof is on the student, to verify both physical presence in California and intent to make California your residence.

Download the [Student Residency Classification](#) document for the list of acceptable documents and other information necessary for establishing residency.

CALIFORNIA DREAM ACT OF 2011 (AB540)

The California Dream Act of 2011, authored by Assembly Member Gil Cedillo (Los Angeles), became law through the passage of two Assembly Bills, AB 130 and AB 131.

AB 130 allows students who meet AB 540 criteria (California Education Code 68130.5(a)) to apply for and receive non-state funded scholarships for public colleges and universities.

AB 131 allows students who meet AB 540 criteria to apply for and receive state-funded financial aid such as institutional grants, community college fee waivers, Cal Grant and Chafee Grant.

Eligibility for the California College Promise Grant (CCPG) at the California Community Colleges became effective in January 2013. Eligibility for the Cal Grant will become effective for the 2013-2014 school year.

Note: In 2012 SDCCD was approved by the U.S. Department of Education to participate in a program to reduce "over borrowing" by limiting the eligibility and borrowing under "unsubsidized loans" for certain categories of students. See the [Financial Aid Bulletin](#) for more details

Students eligible under AB540 may complete the California Dream Act Application at www.csac.ca.gov/dream_act.asp
