# **CTE Transitions Credit by Exam 2019-2020 Active Agreements**

## **SDCE to College CTE Transitions Credit by Exam Program**

SDCE students meeting the requirements of a CTE Transitions credit by exam agreement are eligible to receive college credit, providing them the opportunity to accelerate their career education goals at City, Mesa, or Miramar College.

CTE Transitions credit by exam agreements are faculty led with management and coordination from the SDCCD Instructional Services' Career Education and Workforce Development Department (CEWD). CEWD works with the SDCE Instructional Services Office to support SDCE and City, Mesa, and Miramar faculty in the development and implementation of agreements.

### **2019-2020 Requirements for Receiving Credit:**

The SDCE to College CTE Transitions credit by exam process is not automatic. SDCE students must successfully meet all requirements stipulated within the unique agreements.

General requirements include:

- The SDCE student must receive an A or B on the final exam administered by the instructor within the SDCE course
- The SDCE student must complete an online application to the college
- The SDCE Instructor for the course must complete a [Certification Form](#) on behalf of the student directly following successful completion of the course
- The [Certification Form](#) must be signed by the instructor and SDCE VP of Instruction

The Certification Form and SDCE student information is vetted by SDCE and CEWD prior to the credit being transcribed by Student Services.
