

Enrollment Update

Data Briefing – April 8, 2020

Context

This data briefing provides enrollment counts for the colleges for the Spring 2020 term from March 15, 2020 to April 5, 2020. Also included are enrollment counts for the corresponding weeks in the Spring 2019 term.

It should be noted that the Spring 2020 term started one week later than the Spring 2019 term.

Highlights

1. **Between March 15, 2020 and April 5, 2020, enrollment counts across the colleges decreased by 585, or 1%. Last year over the same period enrollment counts increased 1%.**
2. **Spring 2020 enrollment counts decreased 1% at City College/ECC and Miramar College, compared to 1% increases last year over the same period. Spring 2020 enrollment counts increased less than 1% at Mesa College; this is comparable to last year over the same period.**

Over the last four weeks, enrollment counts decreased by 298 at City College/ECC and 445 at Miramar College, and increased by 158 at Mesa College.
