Dear Student,

San Diego City, Mesa, and Miramar colleges, and Continuing Education are committed to an educational environment that is free from interference and disruption, and that fosters equity and mutual respect. We understand that the sudden shift to remote learning due to the COVID-19 pandemic has been a difficult transition for many students. We want to remind you that we are here to support you during this challenging time.

The student experience is something that is vital to student success. There may be times when you have specific concerns regarding your experience that you would like to report. All students who believe their student rights have been violated by a member of our community (e.g., faculty, staff, administrator, campus police, or student) or an experience you would like to share can be submitted [here](#).

As a student, it is important that you understand your rights and responsibilities. We encourage you to take a moment to review Board Policy, Student Rights, Responsibilities, Campus Safety, Administrative Due Process, and the Student Code of Conduct.
