Student Guide to College
This guide is a quick reference for the key information students need while attending college. The information is in alphabetical order as listed in the Index. For more detailed information or assistance, contact the specific departments on campus.

Each student is responsible for knowing the information provided in the college catalog and schedule of classes pertaining to student rights and responsibilities, instructional programs, enrollment, transfer and degree requirements, and the policies and procedures of the San Diego Community College District.

San Diego City, Mesa & Miramar Colleges uses email (and the mySDCCD 'Message Center') as the primary means to communicate important notices and information to students. All students should make sure the college has your current e-mail address. To update your email address, log into mySDCCD at http://my.sdccd.edu and click on the college student dashboard> my personal information> personal information> email addresses.

Important Note: Due to the Covid-19 pandemic and SDCCD’s current online only activity, any reference in the guide directing students to phone or “go to” a student services support office (such as Accounting, Admissions, Counseling etc.) should NOT go to campus as the “in-person” offices will be closed until further notice. Students should instead visit the College websites and Student Services Support site.

You can find many answers here in the Student FAQs (https://www.sdccd.edu/students/COVID-19.aspx). We will update these frequently as we receive information from the state and the SDCCD leadership.

ASSESSMENT
Assessment is a process that is designed to assist students in determining which English, math or English Language Acquisition (ELAC) courses they should start with, specifically identifying milestones (formerly known as skill levels) in these areas. Assessment also helps students in meeting course prerequisites. Students may also meet course prerequisites based on other factors such as English and math course completion or other standardized tests.

Assessment via College Application (CCCApply)
Students who have graduated from a U.S. high school within the last 10 years will receive placement levels in English and math based upon high school performance information that is provided on the application for admission. Students will report cumulative, unweighted high school GPA, courses completed, and grades received in English and math courses.

Assessment via Placement Assistant
Students who have graduated from a U.S. high school more than 10 years ago, completed the GED, or HiSet exam are eligible for this assessment. The Placement Assistant will identify courses that students can enroll in using prior academic history. Students will report cumulative, unweighted high school GPA, courses completed, and grades received in English and math courses. Based on the information reported, students will receive an English and math placement milestone.

Continuing Students who do not have placement levels should take the self-assessment in the placement assessments.

Students who graduated from a foreign high school should contact the Assessment Center for guidance.

English Language Acquisition (ELAC) (Formally ESOL)
The ELAC exam is designed for students primarily educated outside of the U.S. in a language other than English. This timed exam is designed to help non-native English speaking students select appropriate English classes. Students are encouraged to review sample test questions prior to taking this assessment.

More information is available at the campus assessment office or by contacting:
City: jhill@sdccd.edu
Mesa: testing@sdccd.edu

EDUCATIONAL PLANNING WITH A COUNSELOR
An education plan is an important tool to assist students in successfully attaining their goals without wasted time and effort. Counseling and career planning services are available to help students make informed choices concerning the programs and courses available.

Transcripts from foreign institutions are not required. See the Graduation section of the catalog for graduation filing requirements.

Education plans outline a suggested pathway for a student to take based on their major, transfer plans or other pertinent objectives. These plans allow students to determine how long it will take to complete a program of study and to be sure that all program requirements can be met within a particular period of
time. The student should review their education plan periodically with a counselor as goals or objectives change.

Career, interest, and aptitudes assessments are available for students who wish to explore other options or who are undecided on their educational goal.

PASS/NO PASS GRADING OPTIONS
There are courses in which Pass/No Pass grades are used exclusively; these are designated in the catalog course description by the statement "Pass/No Pass Only." In addition, there are courses which cannot be taken on a Pass/No Pass basis; these are designated in the course description by the statement "Letter Grade Only." Some courses may be taken for either "Pass/No Pass" or "Letter Grade."

Consistent with District policy, a student in good standing may elect to be graded on a Pass/No Pass basis in courses where there is an option. A grade of "Pass" (P) shall be awarded only for work which otherwise would have received a grade of "C" or better. Work that would have received a "D" or "F" will be graded "No Pass" (NP). The units earned will be counted in satisfaction of program requirements, but will be disregarded in determining a student’s grade point average. No more than 12 units of a student’s coursework completed in the San Diego Community College District graded on a Pass/No Pass basis will be used to meet Associate Degree requirements. Students who plan to transfer to a four-year institution should review the Pass/No Pass acceptance policy of the transfer institution prior to requesting this grade option.

Conditions:
1. Students may change from a ‘Letter Grade’ option to a ‘Pass/No Pass’ option during registration, or up until the published deadline to select a Pass/No Pass option for the course, go to the 'EDIT Class Enrollment Options' page on the mySDCCD portal. The deadline is listed in the class search details page when you click the calendar icon ('Important Deadlines').   returning students who have not received a
  Student ID card (at no charge) in the college
  Admissions Office upon verification of enrollment
  and payment of fees. Continuing students who

  do so in the college Admissions Office to receive a
  picture Student ID card.
