MEMORANDUM

DATE: February 29, 2024
TO: Student Services Departments
FROM: Victor DeVore, Dean, Student Services
SUBJECT: Discontinue Process and Update on Reinstatements for 3rd+ Disqualified Students.

Dear Colleagues,

In April 2024, the district will run the discontinuation process that will inactivate students who have not enrolled for three consecutive semesters in preparation for assigning enrollment appointments for the Summer and Fall 2024 semesters. Students with no enrollment for Summer 2023, Fall 2023, and Spring 2024 semesters will be discontinued and must reapply.

For High School students participating in CCAP programs, it's crucial to have the A44 service indicator in place by the close of business on April 12, 2024. This step is necessary to safeguard these students from being affected by the discontinuation process.

Also, with pending changes to Academic Probation and Dismissal, we are suspending the requirement that students undergo reinstatement for their third or subsequent disqualifications as outlined in the Academic Standards Policy. Students will have their S31 service indicator removed and will only be required to complete a Student Academic Contract with a counselor to be eligible to enroll. Counselors should remove the S09 service indicator once the student meets contract conditions.

If you have any questions, please get in touch with me at vdevore@sdccd.edu.

Sincerely,

Victor DeVore
