The District's Response to Reported Incidents

The Title IX Coordinator will determine the appropriate response, which may include informal options such as mediation or facilitated dialogue, or which may include an investigation conducted in accordance with District policies and procedures.

Sexual violence will never be mediated. Where it is determined that a violation of policy occurred, the District will impose appropriate sanctions, up to and including expulsion of students and termination of employees. Dating Violence – Violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim.
