Title: Acquisition Accounting Technician, Senior

Unit: Office Technical

DEFINITION

Under the direction of an assigned supervisor or manager, operate in a lead capacity over other accounting clerical personnel and perform difficult clerical and accounting duties in the processing of District procurements; monitor purchase order/payment encumbrances and individual vendor statements and reconcile with corresponding procurements records, reports, and subsidiary ledgers; prepare reports and update and maintain related systems tables, files, and records. Communicate with vendors to recognize terms and conditions on the P.O. contract and with end-users to ensure purchase requests have adequate funding.

DISTINGUISHING CHARACTERISTICS

The Senior Acquisitions Accounting Technician class performs the same duties as the Acquisitions Accounting Technician but also serves as a permanent lead worker over three or more contract employees on an ongoing basis.

EXAMPLE OF DUTIES

1. Act as lead over Acquisitions Accounting clerical personnel. Plan and organize work; train and provide work direction to assigned personnel. Provide information and training to District personnel. Review requisitions, invoices, transfers, and related documents and make recommendations as appropriate.
2. Audit various types of requests for payments, such as non-stock confirmations, equipment repair orders, travel requests, employee reimbursements of expenses, replenishment of receiving cash funds, service orders, utility bills, leases, membership dues, employee benefits, and miscellaneous vouchers for legality of expenditures, validity and adequacy of supporting documents, pricing in compliance with contract, computational accuracy, administrative approval, existence and address of payee, propriety of account charged, and existence of budget authority.
3. Monitor and coordinate submission of purchase orders, receiving reports from campus sites and other departments, and statements and invoices from vendors; perform checks and balances and audit purchase orders and corresponding receiving reports, vendor invoices, and all other supporting documents for consistency and accuracy; communicate with end-users to ensure purchase requests have adequate funding and make adjustments as necessary.
4. Review, follow up, and make corrections and adjustments for audit exceptions noted and/or return rejected payment documents to originating departments for further action. Monitor vendor's performance on P.O. contracts to facilitate delivery.
5. Perform computer transactions involving purchase order invoicing, accounting and goods distribution, encumbrance liquidation, vendor tables and database updating, 1099s and sales/use tax verification, purchase order tracking, travel tracking, fixed assets inventory, and setting up accounts payable transactions in order to initiate payments and update vendor/payee records and reports.
6. Monitor compliance with: California Education Code pertaining to disbursements and expenditures, State and federal requirements for sales and use tax and Form 1099 reporting, fiscal accountability guidelines set forth by the County Office of Education and County Auditor, provisions of the budget and accounting manual of the California Community Colleges, and provisions of related Board dockets as delineated in Business Services and District policies and procedures.

7. Interpret District and Business Services policies and procedures and standard practices and methods pertaining to diverse types of payments to vendors, campus sites, and other departments, employees, students, and the general public.
8. Conduct research in response to special inquiries and communicate results; prepare correspondence and reports.
9. Maintain records and subsidiary ledgers and monitor individual vendor's account balances and purchase order encumbrances; review and inspect system reports for accuracy of balances and reconcile with vendor statements and subsidiary records; research disputed accounts, follow up on discrepancies, and make corrections via journal vouchers or encumbrance adjustments.
10. Prepare periodic reports to management and external auditors on the status of outstanding accounts payable encumbrances, purchase orders/requisitions, accruals, charge-backs, travel, and other special accounts.
11. Monitor and resolve collections of refunds or credit memos for returned merchandise, closing out of prepaid purchase orders, liquidation of employee travel requests, and other accounts resulting from overpayment and advances.
12. Perform related duties as assigned.
