---

### **DEFINITION**

Under the direction of an assigned supervisor or manager, supervise the day-to-day operation of the main stockroom area of a college.

### **EXAMPLE OF DUTIES**

1. Organize and maintain the physical inventory of equipment and supplies for one or more main stockroom facilities, ensuring that supplies are in adequate supply and inventory records are properly maintained for equipment.
2. Supervise assigned stockroom staff of stock clerks, drivers, clerical employees, and work study personnel; provide work direction and performance documentation, discipline, selection, and termination recommendation.
3. Provide ongoing training for subordinates, arranging for special training programs as appropriate.
4. Prepare and submit monthly stock and charge-back reports and other departmental documents to manager/supervisor as required.
5. Purchase stock and non-stock supply items as necessary within approved budget limits; receive supplies, equipment, and material.
6. Match purchase orders to invoices; inspect items for quality and condition; monitor prices and note changes to purchase orders; communicate with vendors to help resolve problems related to merchandise received.
7. Operate a variety of equipment, including pickups, delivery trucks, delivery carts, forklifts, and calculators.
8. Review and analyze stockroom content and setup, adjusting number and arrangement of items to reduce inefficiency and duplication.
9. Ensure compliance with safety and security regulations regarding special handling of flammable and alcohol-based supplies.
10. Provide backup support for clerical and driver subordinates as necessary.
11. Conduct and coordinate annual stockroom inventory.
12. Perform related duties as assigned.
