

Priority Registration Changes Fall 2012

Current & Former Foster Youth (AB194)

- Current and Emancipated Foster Youth students under age 25 will receive priority registration effective Fall 2012 along with DSPS and EOPS students. (AB194)
- A new question has been added to the application for admission for self identification (*Q33 online & Q36 paper*)
- Emails are sent to students informing them of their eligibility based upon information reported on application
- Documentation will be required for verification purposes
- Foster Youth verification will automatically be brought into ISIS from the Financial Aid System so students only need to verify their status one time.

Continuing Education Advantage Students

- CE Advantage students who transition to the credit program within two semesters, (i.e., continuing student definition) will receive priority registration.
- Students will be required to complete an application for admission to the college credit program for residency purposes.
- Students will be placed in the "Continuing Student" group along with the newly matriculated students

Active Duty Military / Veterans (SB 813)

- The priority registration system for current and former members of the Armed Forces to receive priority registration has been changed from two years of leaving active duty to four years.
- Veterans whose eligibility was to expire after two years were extended to the new four year eligibility criteria.
- Notification was sent to the above cohort via e-mail
- E-mails are sent to all active duty military and veterans informing them of this eligibility criteria based on their response to a question from the admissions application.
